

5-MONTH RECOVERY UPDATE

Over the last 5 months our community has banded together like never before. **ACHIEZER** along with **THE DAVIS MEMORIAL FUND** raised millions of sorely needed dollars to help the residents of our community rebuild their lives anew.

We now share with you an update of all of the funds that have been disbursed through the **CAF (COMMUNITY ASSISTANCE FUND)** thus far.

Every dollar that has been raised through this historic campaign has gone directly to affected families, with no overhead or administrative costs.

To our generous benefactors,
dedicated volunteers and
the entire community,
best wishes for a

Chag Kasher V'Sameach

A Peaceful
and Uplifting
Yom Tov to all!
